

ENHANCING SAFETY FOR MOTORISTS

YOUR SPEED SIGN

One day, Larry spotted something new on the road.

Wow! What's that?

It's an electronic sign that shows the speed we are travelling now.

Where are they placed?

They can be placed along roads with speeding concerns such as bends.

Why is it blinking?

Ah! It means I am driving above the speed limit. I have to slow down and drive carefully.

TRIAL LOCATIONS

1. Pan Island Expressway (towards Changi) - Bedok North Exit 8A
2. Tampines Avenue 5 turning into Pan Island Expressway (towards Tuas)
3. Seletar Expressway (towards Bukit Timah Expressway) - Yishun Exit 3
