

PULAU UBIN VEHICLE SCHEME

INTRODUCTION

1. From 1 February 2001, all vehicles kept in the Pulau Ubin island must be registered and licensed under the Pulau Ubin Vehicle Scheme (or PU Scheme). This is part of the Government's efforts to ensure road safety on Pulau Ubin.

ELIGIBILITY CRITERIA

2. Vehicles registered under the PU Scheme are for private use on roads on Pulau Ubin only. The eligibility criteria for registration/conversion of PU vehicles are as follows:

Ownership Requirement

Applicant must be:

- a resident of Pulau Ubin for at least 6 months; or
- an authorised operator of resort and leisure facilities on Pulau Ubin

Vehicle Requirement

Subject to LTA's approval, vehicle must be:

- currently Singapore-registered*;
- imported brand new; or
- imported used and less than 3 years of age**

Note:

* Upon conversion to PU Scheme, any unused COE (if eligible) will be granted to the registered owner in the form of COE rebate. If the vehicle's COE¹ has previously been renewed for 5 years, the converted PU vehicle can only be used up to the expiry of the 5-year COE, after which it will be de-registered. Upon de-registration of the PU vehicle, PARF rebate (if eligible) will be granted to the last registered owner.

** The age of a used vehicle is reckoned from the date of its first registration in a foreign country. For example, if the vehicle was first registered on 16 November 2010, it would be deemed to be 3 years old on 15 November 2013. If it is not possible to ascertain the first registration date of the vehicle, the age of the vehicle will be reckoned from the first day of its year of manufacture.

Technical Requirement

¹ Not applicable to 5-year COE under Cat C

Vehicle must be:

- with maximum laden weight **not exceeding 3 tonnes**;
- able to meet Singapore's safety, emission and registration requirements;
- comply with the Road Traffic (Motor Vehicles, Construction and Use) Rules, Road Traffic (Motor Vehicles, Lighting) Rules and Road Traffic (Motor Vehicles, Seat Belt) Rules; and
- pass an inspection at any LTA-authorized inspection centre before registration/conversion is allowed.

REGISTRATION NUMBER PLATE

10. Upon successful registration, a vehicle registration number will be assigned to the vehicle. The registered owner must ensure that the vehicle is affixed the vehicle registration number plates (white letterings on green background. See illustrations below) and have them sealed at an LTA-authorised inspection centre within **7** calendar days from the date of registration.

11. For vehicles that are successfully converted, the registered owner must ensure that the vehicle registration number plates are sealed at an LTA-authorised inspection centre within **3** calendar days from the date of conversion.

12. PU vehicles are required to pass their number plates seal inspection before their annual road tax can be renewed.

INSURANCE COVERAGE

13. At least third-party liability for deaths and bodily injury arising out of the use of the vehicle insurance covering the full road tax period.

ANNUAL INSPECTION

14. PU vehicles are required to pass their statutory periodic inspection before their road tax can be renewed. The frequency of such inspection is as follows:

Vehicle Type	Inspection Frequency (based on age of vehicle)		
	Less than 3 years	3 to 10 years	More than 10 years
Motorcycle	Nil	Annually	Annually
Other Vehicle	Nil	Biennial	Annually

An annual site inspection will be conducted before road tax expiry each year. Vehicles due for their biennial inspection will have to be sent (by towing or transported) to an LTA-authorized inspection centre.

NON-CONVERSION

15. PU vehicles cannot be converted to other vehicle schemes (e.g. Normal Vehicle Scheme, Off-Peak Car Scheme, Classic Vehicle Scheme).

CONDITIONS OF USAGE

16. **All PU vehicles are for private use on roads on Pulau Ubin only**; unless otherwise approved by LTA. If this condition is breached, the registered owner of the PU vehicle shall be required to pay the full ARF and COE. This COE period will commence from the PU vehicle registration/conversion date. In addition, the registered owner may be debarred from further registering a vehicle under the PU Scheme.

17. A General Licence (i.e. trade plate) cannot be used on PU vehicle for travel on public roads on mainland. The PU vehicle must be towed or transported if it needs to be sent for inspection, repair, scrap etc.

OWNERSHIP TRANSFER

18. PU vehicle can only be transferred to another person who is eligible for the scheme. The normal vehicle transfer procedure will apply.

DE-REGISTRATION OF VEHICLE

19. The registered owner of the PU vehicle is required to obtain a Transaction PIN from LTA. Submit an online application to de-register the vehicle and dispose away the vehicle within 5 calendar days of the online application using any of the following method. Otherwise, the application will lapse:

- Scrap vehicle at any LTA-appointed Scrap Yard
- Send vehicle to any LTA-appointed Export Processing Zone
- Export the vehicle and submit the required supporting documents to LTA

Please bring along the vehicle owner's and the submitter's (if applicable) original identification documents. Visit www.onemotoring.com.sg for more details.
